*: repetitive during the experience

Note

Folder Mix composition

1. **Bell** sound can be using for the user clicking the screen
2. **Conversation** sound could be playing several time when there are explanation of the person in the back
3. **Telling the story** is made for when elena talking with bike riding
4. **The end sound** is made for the end of long scene

Folder Mix elements and Mix seasons

I just retouched the volume and a bit of noise cutter/ reverb in some of it.

+Missing file is interview voices if you want to work later, please send me **by 3rd of August**
